**SARAJEVO:** Sarajevo is capital of Bosnia and Herzegovina and its largest city with ca 420.000 citizens. Sarajevo is one of those cities that are more than a place where people live. It is a symbol, a brand, living thru history with its own never changing soul and charm. Can you imagine a place where the new and the old, the traditional and the modern, the East and the West are all intertwined? Others have said it for us: “The air is freer in Sarajevo... a charming, sophisticated city.” This city is stuffed with history: from Latin Bridge, where the Austro-Hungarian heir to the throne Franz Ferdinand and his pregnant wife was assassinated (marking the start of the World War I), Winter Olympic Games in 1984 and the last, tragically war that lasted from 1992 until the end of 1995. The old part of the city - Baščaršija is the heartbeat of Sarajevo and certainly the most popular part which dates back to the long period of Ottoman rule. Celebrated in songs, painted on canvas, today more than ever, its beauty attracts visitors from around the world. There is thousands of legends regarding that famous „Spirit of Sarajevo“ - Spirit that allowed Sarajevo to reborn time after time from ashes, just like the mythological bird Phoenix.
